

Dear Friend of Westfield Friends School:

Our school needs your support in celebration of our 230th year at *WFS Gala 230*, to be held on April 14, 2018 at Riverton Country Club.

Westfield Friends School has provided quality education for children since it's founding in 1788. As do all independent schools, it depends on the financial support of parents, alumni, and community businesses. Your *WFS Gala 230* Auction Donation to our Silent Auction helps fund our everyday priorities, scholarships, financial aid, and ultimately our long-term future. Your gift makes possible the foundations for life our school lays for its students: lifelong love of learning, strong sense of self, socially engaged global citizenship, compassion, critical thinking, and meaningful relationships.

Last year's Spring Fête was an exciting evening, and thanks to many of you, an incredibly successful event, raising more than our \$100,000 goal. Help us make this year another amazing fundraiser! We would appreciate any personal or business donation that can be made toward this school effort. We invite you to showcase your business with a donation of items and services in the following categories: Travel / Outings and Experiences / Sports Tickets, Memorabilia, and Activities / Music and Entertainment / Food and Drink.

All donations will be on display at the event, and donors will be recognized in the printed program, distributed at the event. We will be mailing nearly 600 invitations and expect 200+ attendees. All invitees to this gala, whether attending or not, can register and have the opportunity to bid on the dedicated website, www.wfsgala230.auction-bid.org. Bidding will start a few weeks before the event and will end at the end on the evening, on event night. Thanks to many generous donations, last year's gala was great fun, with friendly bidding wars bringing excitement for all. Please complete the enclosed Auction Donation Form and return it by mail or email at your earliest convenience, and by March 30, 2018, the latest. Additionally, we have many levels of sponsorship and advertising opportunities available.

On behalf of our students, we thank you for your generosity and are grateful for your support.

Best regards,
