

January 28, 2016

Dear Parents:

We are pleased to announce registration for the 2016 Spring Track Team. The track team is open to all students in grades 5th-8th. The team will practice three times per week and will have six meets throughout the season (weather permitting). The students will be bussed to and from the meets and return to the school. Students may be picked up at meets. Information about days and times will be available shortly.

The head coach will be Kristin Gold and the assistant coach is Kristin Hoffman. The fee for the program is \$150 per student. Uniforms will be provided for the athletes and they must be returned after the season is complete. Athletes will need to provide their own socks and sneakers.

If your child is joining the track team please fill out the registration form and return it to school by March 1, 2016 with the \$150 participation fee. Your child also needs to have a sports physical by state law. If your child participated in either field hockey or soccer at WFS this year you do not need to fill out the medical forms again. Your child's physical is good for one year. Please contact your physician to have them fill out the sports medical form if they did not play a Fall sport at WFS. Physical forms are also due by March 1, 2016.

Please feel free to contact me with any questions.

Go WFS!
